## **Overview of StoneBridge Church Safety System**

Because we care for and desire to protect children, StoneBridge Church requires all staff members, volunteers and interns over the age of 16 to complete **FOUR SAFETY STEPS** before internship, ministry work or volunteer placement begins.

### **STEP ONE: Sexual Abuse Awareness Training**

StoneBridge Church policies and procedures require that staff members, volunteers and interns avoid abusive or neglectful behavior of any kind. Staff members, volunteers and interns are required to report any policy violations to their Ministry Director or a member of the StoneBridge Church Safety Committee. Staff members, volunteers and interns should have a basic understanding of the characteristics of sexual abusers and their behaviors in 'grooming' a child for sexual abuse. Grooming is the process used by an abuser to select a child, win the child's trust (and the trust of the child's parent or 'gatekeeper'), manipulate the child into sexual activity and keep the child from disclosing the abuse.

To equip StoneBridge Church staff members, volunteers and interns with information necessary to recognize abuser characteristics and grooming behavior StoneBridge Church requires all staff members, volunteers and interns (over the age of 16) to complete MinistrySafe sexual abuse awareness training. This training will be renewed every year for interns and every 3 years for adults.

### **STEP TWO: Screening Process**

Staff members, volunteers and interns are required to complete the StoneBridge Church Screening Process, which requires a staff member or volunteer to:

- complete an Employment Application (employees only)
- complete an Intern Application (interns only)
- complete the Safety Application, including a signed release (all applicants)
- complete an interview (all applicants)
- provide references to be checked (all applicants)

\*A volunteer must attend StoneBridge Church for six months before being eligible to serve in on-going or regularly occurring positions which provide ministry services to youth or children.

### **STEP THREE: Review Policies & Procedures**

Staff members, volunteers and interns are required to review the policies contained in this manual and sign the last page, indicating that he or she has read and understood the material, and agrees to comply with policy requirements.

#### **STEP FOUR: Criminal Background Check**

StoneBridge Church requires that all staff members and volunteers undergo a criminal background check. Depending upon position, differing levels or intensity of criminal background check may be required.

#### **Child Safety Policy**

##### **ABUSE TOLERANCE**

StoneBridge Church has a **zero tolerance for abuse**. It is the responsibility of every StoneBridge Church staff member, volunteer, and intern to act in the best interest of all children in every program.

In the event any staff member, volunteer or intern observes any inappropriate behaviors (i.e. policy violations, neglectful supervision, poor role-modeling, etc.) or suspected abuse (physical, emotional, or sexual) it is the personal responsibility of each such staff member or volunteer to immediately report their observations to the Head of the Program, or the Pastor of Creative Arts

##### **REPORTING SUSPICIOUS OR INAPPROPRIATE BEHAVIORS**

StoneBridge Church is committed to providing a safe, secure environment for youth and children. To this end, any report of inappropriate behaviors or suspicions of abuse will be taken seriously and will be reported, in accordance with this policy and state law, to the StoneBridge Church Safety Committee and the Police Department, Child Protective Services, or other appropriate agency.

StoneBridge Church intends to create and foster a culture of communication, reporting safety concerns or policy violations. Because sexual abusers 'groom' children for abuse, it is possible a staff member, volunteer, or intern may witness behavior intended to 'groom' a child for sexual abuse. Staff members, volunteers, and interns are asked to report possible 'grooming' behaviors, any policy violations, or any suspicious behaviors to the Head of the Program, or the Pastor of Creative Arts.

##### **ENFORCEMENT OF POLICIES**

StoneBridge Church staff members, volunteers, or interns who supervise other employees or volunteers are charged with the diligent enforcement of all Church policies. Violations of these policies are grounds for immediate dismissal, disciplinary action, or reassignment from Creative Arts positions as interns, volunteers, and staff members. Final decisions related to policy violations will be the responsibility of the Executive Pastor and the Board of Directors.

## **Reporting Abuse or Suspicions of Abuse**

### **REPORTING VIOLATION OF POLICY**

In order to maintain a safe environment for youth, children and interns, StoneBridge staff members, volunteers and interns, must be aware of each individual's responsibility to report any questionable circumstance, observation, act, omission, or situation that is a violation of these policies. All questions or concerns related to inappropriate, suspicious, or suspected grooming behavior should be directed to the Head of the Program, the Pastor of Creative Arts.

### **CONSEQUENCES OF PROHIBITED OR HARMFUL ACT**

Any person accused of committing a prohibited act, or any act considered to be harmful to a child, will be immediately suspended from participation at any Creative Arts area. This suspension will continue during any investigation by law enforcement or Child Protective agencies.

Any person found to have committed a prohibited act will be removed from future participation as a staff member or volunteer in all activities and programming that involve youth or children at StoneBridge Church. If the person is a staff member or intern, such conduct may also result in termination of employment from StoneBridge Church.

Failure to report a prohibited act to one of the individuals identified above is a violation of this policy and grounds for termination of a staff member or dismissal of a volunteer.

### **REPORTING SUSPICIONS OF ABUSE TO LAW ENFORCEMENT AGENCIES**

Staff members, volunteers and interns at StoneBridge Church are required to report suspicions of child abuse or neglect, or any inappropriate behavior of a colleague or co-worker, to the Head of the Program, or the Pastor of Creative Arts.

Texas State Law requires that any person having cause to believe that a child's physical or mental health or welfare has been or may be adversely affected by abuse or neglect must make a report to an appropriate law enforcement agency.

The person making a report must identify, if known:

- \*The name and address of the child,
- \*The name and address of the person responsible for the care, custody, or welfare of the child, and
- \*Any other pertinent information concerning the alleged abuse or neglect.

A staff member, volunteer or intern may report to the Head of the Program, the Pastor of Creative Arts, and together, in tandem, make the appropriate report to law enforcement agencies. In no way is any provision in this policy meant to discourage any staff member or volunteer from personally reporting a suspicion of abuse or neglect to the appropriate law enforcement agencies.

Staff members, volunteer, or intern are required to verbally report an incident to the Head of the Program, the Pastor of Creative Arts, as soon as possible after the incident. After receiving a report from a staff member or volunteer in a Creative Arts Area, the Child's Ministry Director, the Pastor of Creative Arts, or the Executive Pastor will speak with the person or volunteer to whom the child spoke in order to get detailed information about the entire conversation. The Executive Pastor will be notified as soon as reasonably possible.

If appropriate, the Ministry Director, Pastor of Creative Arts or the Executive Pastor will inform the appropriate law enforcement agencies or Child Protective Services, in tandem with the reporting adult (if at all possible).

### **RESPONSE TO REPORT OF ABUSE**

StoneBridge Church Leadership will take appropriate action on behalf of the church when a report of abuse occurs.

### **StoneBridge Church Safety Committee**

#### **SAFETY COMMITTEE**

Recognizing the importance of providing and maintaining a safe environment for children, StoneBridge Church will appoint and maintain a Safety Committee on our campus, which will meet once each quarter.

## **Ministry Culture – Staff Members, Volunteers and Interns**

### **PHYSICAL APPEARANCE**

Your physical grooming makes a statement to children, parents and other staff members, interns, and volunteers. While serving at StoneBridge Church, we ask that you limit your freedom concerning hairstyle, clothing, and other outward physical accessories and fashions. If you have questions about your personal choices in these matters, and whether an article of clothing or style is appropriate for wear at StoneBridge Church, please consult the Ministry Director or Pastor of Creative Arts.

### **MODESTY**

Your choice of clothing makes a statement. While serving at StoneBridge Church, we ask that our female staff members, interns, and volunteers help us create an atmosphere of modesty by wearing one-piece bathing suits, covering swimwear with t-shirts and shorts or skirts while not participating in water activities. We ask our male staff members, interns, to show similar respect to women by wearing t-shirts when not participating in water activities, and to avoid Speedo-style swimsuits.

### **DATING**

Public displays of affection between dating couples are not permitted under any circumstances. We expect professional behavior at all times.

### **MODELING BEHAVIOR**

What we do in moderation, children will do in excess. Children will look to you to set the boundaries they will test. This is a dilemma with which every staff member, volunteer, and intern will wrestle. The way you dress, what you say, how you respond to the smallest circumstance – our children are watching. If you communicate that it is OK to move an inch, they will go a mile. Please read and understand the guidelines below regarding appropriate “touch and talk”, and follow them closely.

The following rules are to be followed at all times:

- **No Verbal Abuse**
- **Never touch a child in an aggressive manner**
- **Absolutely No Profanity**
- **No Mooning, De-Pantsing, Wedgies or Swirlies**
- **No Descriptive Stories Regarding Drinking or Sexual Behaviors**
- **Never Compare a Child's Body with Another Child/Staff/Volunteer/Intern**
- **No Racial Put-Downs or Racial Jokes**
- **No Tickling Children**
- **No Wrestling with Children**

## **APPROPRIATE PHYSICAL TOUCH**

All staff members, volunteers, and interns should exercise good judgment when expressing one's self through physical touch. Appropriate physical touch may include the following:

1. An arm around the shoulder (side hug)
2. Short, congratulatory or greeting hugs
3. A brief, assuring pat on the head or shoulder, but NOT to those kids who feel that such touch is offensive to have their heads patted or hair fluffed.

A few NEVERS:

1. We don't touch kids in anger or disgust.
2. We don't touch kids in any sexually connotative manner.
3. Never touch a child's private parts for any reason.
4. Never tickle a child; this can be misconstrued as sexual contact.
5. Never ignore a child's request not to be touched.
6. Never express or require physical affection or touching in any form from a child who shows or expresses discomfort with physical touch.

If a question ever arises, consult your Ministry Director or the Pastor of Creative Arts.

Any infraction of the above policy involving even the slightest form of sexual connotation will result in immediate dismissal from the intern program with no chance of rehire.

## **Ministry Culture – Youth and Children**

### **BULLYING**

Verbal, physical or emotional bullying will not be tolerated.

It should be made clear at every program that verbal, physical or emotional harassment of any kind will not be tolerated. At the first sign of verbal or other attacks, act decisively. There is no "harmless putdown" when dealing with kids.

1. First instance comes with a warning to the child and a general reminder to the group that this kind of interaction is inappropriate. Make sure not to embarrass or chastise them.
2. Second instance requires that you pull the offending child(ren) from the group and discuss the inappropriateness of bullying behavior. Set some clear parameters and behavioral goals for them to achieve. However, let them know that the next step is a visit to the Head of the Program or Ministry Director. Notify the Head of the Program or Ministry Director of ANY signs of bullying or verbal abuse.
3. Make sure that any child who is the brunt of bullying attacks is handling the situation well. Have a private dialogue with him or her to assess the situation.

DO NOT SINGLE CHILDREN OUT IN FRONT OF THE GROUP! Be discreet and protect their dignity.

4. Third instance results in a trip to the Head of the Program or Ministry Director and a conversation with the parents.

## **DISCIPLINE**

It is the policy of StoneBridge Church that staff members, volunteers, and interns are prohibited from using physical discipline in any way for behavior management of children. **No form of physical discipline is acceptable.**

This prohibition includes spanking, slapping, pinching, hitting, or any other physical force as retaliation or correction for inappropriate behaviors by children. If a child is unruly or fails to comply with verbal warnings or instructions from a staff member/volunteer/intern, the Head of the Program or Ministry Director will contact the child's parent. If the behavior persists, the child's parent will be contacted to pick up the child. In the event of a fight or physical altercation, a staff member or volunteer will verbally redirect children involved, trying to avoid physical intervention. Uncontrollable or unusual behavior should be reported immediately to a Head of the Program or the Ministry Director.

## **VERBAL INTERACTIONS**

Verbal interactions between staff members, volunteers, or interns and children should be positive and uplifting. StoneBridge Church staff members, volunteers, and interns should strive to keep verbal interactions encouraging and constructive.

To this end, staff members, volunteers, and interns should not talk to children in a way that is or could be construed by any reasonable observer as harsh, threatening, intimidating, shaming, derogatory, demeaning, or humiliating. In addition, staff members, volunteers, and interns are expected to refrain from swearing or using profanity in the presence of children.

## **Supervision of Children in our Care**

### **PROGRAM SUPERVISION AND GUIDELINES**

Staff members, volunteers, and interns in Creative Arts Ministry are expected to provide adequate supervision for children or youth in their care while working in church programs, unless the program or activity being provided is specifically designed for family participation. Parents and Guardians shall be responsible for their own children unless children have been checked into a specific program or activity under our care. Special attention should be given to peer interaction to ensure each child's safety. This should include both their physical play as well as verbal interaction.

## **STAFF MEMBER/VOLUNTEER/INTERN TO CHILD RATIO**

StoneBridge Church is committed to providing adequate staff member, volunteer and intern supervision in all Creative Arts and programs. Accordingly, the following ratios will be observed for Creative Arts activities and programs where interns are being utilized:

Preschool, 4 and 5 years old	2	20
Elementary and Middle School	2	30
Camp	2	30

This ratio may change depending on the program or activity. Anytime more than 30 students are involved at least one adult will be present.

If a volunteer or intern is out of ratio it is his or her responsibility to immediately notify the responsible Head of the Program. The Head of the Program or the Ministry Director will make diligent efforts to immediately bring staff members, volunteers and interns to student/child ratios into compliance with this policy.

## **BUILDING SAFETY**

The Pastor of Creative Arts will be responsible for ensuring that the Worship Center, back stage, Creative Arts Office area, and Middle School Rooms in the Main Building are monitored during classes or programs occurring on any day of the week. This will include unobserved monitoring of staff members, volunteers, interns, youth and children in all classrooms as well as restrooms.

No youth or child will ever be left unattended in the Middle School Rooms, Creative Arts Office Area or Worship Center. Creative Arts Ministry staff members or volunteers are prohibited from being alone with an individual child in any room or building. In the event a staff member, volunteer or intern finds himself/herself alone with a single child, that staff member, volunteer or intern will take the child to a room or building occupied by others, or to a location easily observed by others. (Example: if a child is the last in a class to be picked up by a parent, move to an adjoining room where other staff members, volunteers, or interns are present.)

After every programming event, the Head of the Program, Ministry Director, staff members, volunteers, and interns must ensure every room and restroom is checked prior to leaving to ensure that there is no youth/child left unsupervised.

### **Off-Limit Areas**

All StoneBridge Church staff members, volunteers, and interns will be responsible for ensuring that their youth and children are not in areas deemed off-limits. Areas deemed off-limits to

children include but are not limited to: Closets, storage rooms, janitor closets, pantries, and areas behind the stage.

## Staff Areas

Staff Areas exist in each building on StoneBridge Church property. These staff areas are designated spaces for staff members, volunteers, and interns. Children (other than staff children) should not be invited into or be allowed inside the Staff Areas, unless directed and overseen by a Ministry Director for a specific service project where multiple children will be together for a set amount of time and under the direct supervision of staff, volunteers or interns. The use of the certain designated Staff Areas, may occasionally be required for break out groups. The use of these spaces for break out groups must be at the approval and direction of a Ministry Director. When utilizing these spaces for group meetings, children, volunteers, interns and staff members should be in groups together when they come and go from these areas.

## MONITORING HIGH-RISK AREAS

**The purpose of this section is to become aware of high risk areas at church, and methods to effectively lower that risk.** Any areas on church property where youth/children are not directly supervised is a high risk area. In these areas, children can more easily bully and abuse (verbally, physically, and even sexually) each other. It is the responsibility of all staff members, volunteers, and interns to be aware of the potential for bullying and abuse, and to monitor church locations where youth/children can be alone.

For activities involving large numbers of youth/children, staff members, volunteers and interns will be assigned to monitor high risk areas for the duration of the activity. Monitoring of high risk areas will be built in to the programming and planning for these large events.

High-Risk Areas include:

- all bathrooms on church property
- behind the stage,
- green room
- media room
- night-time activities
- water activities
- changing areas

During programs if chairs, mats, sleeping bags, or bean bags are used by the youth/children, then only one youth/child per chair, mat, sleeping bag or bean bag will be permissible. With the

exception of children in our Nursery, adults should not have children sitting in their laps during any Creative Arts program.

## **RESTROOMS SUPERVISION**

Middle school and High School age youth/children primarily use the public restrooms in our Main Building on campus. Staff members, volunteers and interns, should be aware of when Middle/High school age youth/children are going to the restroom.

Groups of children going to the restroom at once should be avoided when possible. When groups of children are required to go, staff members, volunteers and interns, should stand at the door of the restroom and engage in conversation with children (ex: Hurry up guys) and to make sure no bullying or inappropriate conversations occur. Also, always check to see that only one child is in each stall.

Male staff members and male volunteers should avoid the use of our public restrooms upstairs during our middle school programs so as not to be alone with a middle school age child in the restroom.

Children should require no assistance unless it is an emergency. In an emergency where a child does need assistance, volunteers and interns shall notify the Head of the Program or Ministry Director to assist the child.

If a staff member, volunteer, or intern must go into the restroom to check on an individual middle schooler, they should seek out another staff member, volunteer, or intern to accompany him/her. If the middle schooler requires assistance, the staff member, volunteer, or intern should leave the exterior restroom door open (when utilizing the main building) when entering the restroom area and try to verbally assist the child in completing their activities, while the child remains behind the door of the restroom stall. Staff members and volunteers should not employ the help of their spouse, if possible, when assisting a middle schooler in the restroom.

### **Special Needs Aged Children**

Parents will offer instruction to staff members or volunteers to change the diapers of special needs individuals. After the age of 4, parents or legal guardians will change all special needs individuals unless written approval has been given by the parent or guardian. In these instances, the Head of the Program will change the diaper, and may recruit the assistance of another trained volunteer if the size of the child mandates assistance.

### **Off-site Event Restroom Use by Children of All Ages**

Youth/Children in our care during an off-site event or program should be monitored when going to the restroom by a staff member or volunteer. While at a public event location, staff members

and volunteers should be positioned to ensure a youth/child utilizing a public restroom can be monitored for safety.

If staff members, volunteers, or interns take a child to a public restroom, the staff members, volunteers, or interns should stand where they can monitor the safety of the child. Staff members, volunteers, and interns should check to ensure only one child or person is in each toilet stall of the restroom. Never take a lone child into a restroom stall.

Staff members and volunteers should occasionally verbally communicate with children while they are in the restroom, (ex: Are you okay in there?) especially when other adults are present with the child. Staff members and volunteers shall stand in the entry door or entry area to ensure the safety of the child(ren) when other individuals are also utilizing the public restroom, until the child returns.

Children should receive the minimum amount of assistance needed in the restroom based upon their individual capabilities. If the child requires assistance, the staff member or volunteer should try to verbally assist the child in completing their activities, while the child remains behind the door of the restroom stall.

#### **UNOBSERVED ONE-ON-ONE INTERACTION WITH CHILDREN**

No youth/child will ever be left unattended or unsupervised during a Creative Arts Ministry program

or activity at which children have been received into our care by a parent or guardian.

StoneBridge Church staff members, volunteers, and interns are prohibited from being alone with an individual child in any room or building. In the event a staff member, volunteer, or intern finds himself/herself alone with a single child, that staff member, volunteer, or intern will take the child to a room or building occupied by others, or to a location easily observed by others.

Example: If a child desires conversation or counsel with a staff member, volunteer, or intern after regular programming has concluded, the staff member, volunteer or intern shall relocate the discussion to a place where other staff members, volunteers or interns are present, or which is easily observed.

#### **APPROPRIATE ONE-TO-ONE INTERACTIONS WITH CHILDREN**

StoneBridge Church recognizes that meeting the emotional needs of youth/children may occasionally require staff member and volunteers to meet with them on an individual basis. Staff members, volunteers, and interns should observe the following guidelines when interacting with youth/children.

Staff members, volunteers and interns should conduct one-to-one meetings with an individual child at a time when others are present and where interactions can be easily observed. All one-to-one meetings should take place in public locations, easily observed by others.

In the event a closed-door meeting must occur, the staff member must inform another staff member and ensure the door remains unlocked. Staff members shall meet with children that is easily seen into by others passing by. Staff members are required to select rooms to meet with children that have a glass sidelight or glass panel in the door. No room shall ever be used to meet in that is considered "off limits" or in a building and an area of the building that is NOT being used at the time. (See Building Safety)

### **Rules for Children and Intern Safety**

#### **PHYSICAL CONTACT**

StoneBridge Church is committed to protecting youth/children in its care. To this end, StoneBridge Church has implemented a 'physical contact policy' which promotes a positive, nurturing environment for our Creative Arts programs and activities. The following guidelines are to be carefully followed by anyone working in any Creative Arts Ministry program or camp:

1. Hugging, pats on the back and other forms of appropriate physical affection between staff members, volunteers, interns and children are important for a child's development and are generally suitable in the church setting.
2. Inappropriate touching and inappropriate displays of affection are forbidden. Any inappropriate physical contact, touching or displays of affection should be immediately reported to the Head of the Program, the child's Ministry Director or the Pastor of Creative Arts.
3. Physical contact should be for the benefit of the child, never based upon the emotional needs of a staff member, volunteer, or intern.
4. Physical contact and affection should be given only in observable places or when in the presence of other children, staff members, volunteers, and interns. It is much less likely that touch will be inappropriate or interpreted as such when physical contact is open to observation.
5. Physical contact in any form should not give even the appearance of wrongdoing. The personal behavior of staff members, volunteers, and interns in Creative Arts Ministry must foster trust at all times. Personal conduct must be above reproach.
6. Do not force physical contact, touch or affection on a reluctant child. A youth/child's preference not to be touched must be respected.
7. Staff members, volunteers, and interns are responsible for protecting children under their supervision from inappropriate or unwanted touch by others.

8. Any inappropriate behavior or suspected abuse must be reported immediately to the Head of the Program, the child's Ministry Director or the Pastor of Creative Arts.

### **MEDICATION**

A staff members, volunteers, and interns may not administer medication to any child while serving in Creative Arts Ministry unless it is under the following conditions:

1. Child's parent or guardian has provided us with the child's medical device for medical emergency (ex: epi-pen, inhaler).
2. Head of the Program or Ministry Director has been notified that an emergency is occurring.
3. Person administering the medical device has been trained on its use.

Or during a church camp or special program, a trained medical professional is on hand to administer first aid and the following has occurred.

1. Child's parent or guardian has provided us with the child's medical release and has agreed to the administration of certain drugs.
2. Child's parent or guardian has provided us with the child's medical device for medical emergency (ex: epi-pen, inhaler).

During any event in which a child is required to receive emergency medical assistance, the child's Ministry Director and or the Pastor of Creative Arts should be notified.

### **TRANSPORTATION**

Staff members, volunteers, and adult interns may from time to time be in a position to provide transportation for children or high school age interns. High school age interns are not allowed to transport children. The following guidelines should be strictly observed when workers are involved in the transportation of youth/children:

1. Youth/Children should be transported directly to their destination. Unauthorized stops to a non-public place should be avoided.
2. Staff members, volunteers, and adult interns should avoid ministry transportation circumstances that leave only one child in transport. Two staff members shall transport a lone youth/child when possible. When it becomes necessary for one staff member to transport one youth/child, the staff member must contact the parent. Parents must authorize any one on one transportation of their youth/child. Staff members shall text or call Parents and their Ministry Director to verify exactly when the youth/child is in

transport, so that the parent can verify the time their youth/child should reach their destination.

3. Staff members, volunteers, and adult interns when transporting high school age interns shall have at least three people in the vehicle. If it is necessary to have one staff member, volunteer, or adult intern in the car with one high school age intern, then approval by the Ministry Director or Pastor of Creative Arts will be required. Failure to request approval could result in the dismissal of employment, volunteer position or internship within the Creative Arts Ministry.

4. At NO time should a Staff member, volunteer, or adult intern be alone in a car with a high school intern of the opposite sex. Failure to comply with this policy will result in immediate dismissal.

5. Staff members, volunteers, and adult interns should avoid physical contact with youth/children while driving in vehicles.

6. The use of cell phones while driving StoneBridge Church vehicles (owned or rented) is prohibited, unless in an emergency. In other non-emergency circumstances, staff members, volunteers and interns are to stop the vehicle before using a cell phone.

7. Absolutely NO TEXTING is allowed by the driver of a moving StoneBridge Church vehicle.

8. No drivers under age 21 may drive StoneBridge Church owned or rented vehicles.

9. When staff members, volunteers, or interns have been requested to perform reasonable functions of close family friendships or by extenuating circumstances (illness in the family, job, etc.) such as dropping off a neighbor's youth/child to their home, the staff member, volunteer or intern will be required to contact the parent or guardian before they leave the activity premises so that the parent or guardian is in agreement and knows the time of estimated arrival. When a youth/child is dropped off and the parent or guardian is not home, the parent should be contact immediately (through text or phone call) when the youth/child is dropped off to let them know the child is home.

### **SLEEPING DURING OVERNIGHT EVENTS**

During overnight events youth/children will fall asleep, when this occurs staff members, volunteers and interns will strictly observe the following rules:

1. Any overnight event will provide designated safe sleeping areas.

2. Where one youth/child falls asleep at an all-night event, the youth/child will be directed to a quiet public area, and at least one staff member must be assigned to maintain visual contact with the sleeping child.

3. Youth/children when housed in homes shall have a minimum of 3 children in any sleeping area. Where possible more youth/children shall be housed in each sleeping area.

4. At least one staff member, volunteer, or intern is required to be in any sleeping area with youth/children at all times. Even if it appears that all youth/children are sleeping, at least one staff member, volunteer or intern, will not leave the sleeping area. At NO TIME is it permissible for youth/children to be left alone sleeping in a room during a Creative Arts Event.

5. Appropriately modest sleeping attire must be worn. Youth/Children who fall asleep during overnight events (excluding weekend retreats) shall remain in their street clothes.
